

26 June 2023

Dear Parent/Carer,

Continuation of Music Tuition

In September, we are once again able to offer places in a range of groups for peripatetic music tuition. If you would like your child to continue with their music tuition for another year, please confirm on the below link. This will then enable me to see what spaces are available for new pupils.

As with the current school year, there will be a charge of £120 for the full school year for your child to continue with their instrumental lessons. This may be paid in 6 instalments of £20 per half-term. There is no charge for pupils who have been in receipt of free school meals at any point during their time in school, as we receive funding towards the cost of their provision.

Places for music tuition are a **full year's commitment** and we ask for your co-operation in supporting your child with this element of their education, by providing them with somewhere to practise regularly at home, and ensuring they have their instrument on the necessary days. There will be the opportunity at different times in the year to listen to your child perform to see how they are getting on and they will be provided with an end of year report from their instrumental teacher.

Please [click here](#) to confirm if your child will or will not be continuing with their instrumental lessons no later than **Friday 1st July**. If we have not received a reply by this date, we will assume your child no longer wishes to continue. Please note, in this instance, all clarinets & violins will be required to be returned to school by Friday 1st July at the latest.

If you have any queries regarding your child's instrumental lessons, please do not hesitate to contact school.

Yours sincerely,
Mrs Sutton
Music Lead
