Children Cooking in School – Term 1 Contribution

Dear Parents/Carers,

We would like all the children in our foundation classes to have the opportunity to cook, bake and try new foods in school. The children are always highly engaged and excited about these opportunities and they develop many skills too!

In order to fund this experience, we would like to request a contribution of **£3.00** to cover the cost of ingredients. This will cover all baking up until the Christmas holidays and works out at just 20p per week. If this is successful we will re-run the programme from January to Easter half term where we will ask for the same contribution.

You should have all received your login details to ParentPay, however should you require another copy or a barcode to pay at your local PayPoint, please contact the main office.

If you would like to volunteer to come and bake with the children on a Friday, please speak with your child's class teacher to arrange a date.

Thank you for your support.

Yours sincerely,
Mr C Metcalfe
Principal
