

11 October 2023

## **FREE TICKETS FOR DONCASTER ROVERS v SUTTON UNITED - SATURDAY 14<sup>th</sup> OCTOBER**

Doncaster Rovers have arranged for all primary school children in Doncaster to receive **ONE FREE CHILD TICKET (13 and under)**, plus you can bring up to two adults with you for just £10 each.

At the game you will be able to join Donny Dog in his kennel and play FIFA or giant Jenga, do some colouring and take part in skills challenges with his friends from the Foundation before watching the players in action.

Please note you must be accompanied by a responsible adult aged 18 or over (with a ratio of 1 adult per three children)

All you need to do is:

1. Go to [www.tickets.clubdoncaster.co.uk](http://www.tickets.clubdoncaster.co.uk) and either log in or register (each person must be registered, you cannot select multiple tickets under one account)
2. Now go to home tickets and select the relevant game and area. This offer is only available in blocks F10 – F14.
3. Once you go to your basket you will need to assign owners. Next to each ticket it says owner and a name. Click on the pencil and assign owners so each person you have set up has a ticket in their name. It will not let you have more than one ticket in one name.
4. After this has been done, below the tickets is a coupon box. Add the coupon code to claim the offer **DRFCSUTTON1410**.
5. Proceed to check out and pay for your tickets. Please note your ticket(s) must be purchased/claimed by Friday October 13 (Doncaster Rovers v Sutton)

**Please be aware that Sandringham Primary School do not have any access to tickets. All tickets should be handled through the above website.**
