Phoenix Class Only
Storytelling Project with Leeds Beckett University

Dear Parent/Carer,

We are delighted that from this half term, pupils in Phoenix class will be taking part in a new and exciting storytelling project with Dr Lisa Stephenson from Leeds Beckett University for the rest of Year 4. We are happy that Lisa and a team of experienced, creative artists will be working with the pupils to explore stories and drama within their history and geography curriculum.

This learning will also form part of a research project which aims to use storytelling and drama world building to improve pupil's social and emotional well-being, as well as considering how drama activates learning. The drama workshops are part of normal curriculum learning and all children will be taking part in the project.

However, to use your child's responses, thoughts and feelings about this learning within the project, we require your consent. Please [click here](#) by **Friday 17th November 2023**.

If you have any questions or would like to know more about this exciting project, please speak to Miss Richardson.

Yours sincerely,
Miss Richardson
Phoenix Class Teacher
