Dear Pupil

Welcome Back

Welcome back, I hope that you have had a wonderful summer with your families and had lots of fun. I would also like to welcome all our new pupils who have joined us for the first time this year, we hope that you enjoy your learning journey with us.

We are all excited for this new academic year, and we have some exciting things planned for you. Your teachers have been working really hard to find new, interesting and fun ways for you to enjoy your learning.

I understand from Principals that you have settled into your new classes very well, they have also told me how wonderful it is to have you back in school, eager and ready to continue with your education.

Don't forget, your teachers will be looking to present Proud awards for:
Resilience, Motivation, Collaboration, Creativity, Investigation, Teamwork and Evaluation.

I am extremely proud of all your achievements so far, it is a pleasure to have you in our Trust. I will be visiting all academies over the next few weeks and very much look forward to seeing you in your new classes.

Yours sincerely
