Intent	Implementation		Impact (July 2023)	
<i>Your school focus should be clear what you want the pupils to know and be able to do and about what they need to learn and to consolidate</i>	<i>Make sure your actions to achieve are linked to your intentions</i>	<i>Funding allocated</i>	<i>Evidence of impact: what do pupils now know and what can they now do? What has changed?</i>	<i>Sustainability and suggested next steps</i>
Key indicator 1: The engagement of <u>all</u> pupils in regular physical activity – Chief Medical Officers guidelines recommend that primary school pupils undertake at least 30 minutes of physical activity a day in school				Percentage of total allocation: 23%
Sustain the high level of participation in physical activity. 100% of pupils will take part in at least 30 minutes of physical activity a day in school.	Play & Activity Leader to plan and deliver zoned activities at breaks and lunchtime, including the Daily Mile.	£4,568 towards the salary and on-costs of the play leader.	All children participate in at least 30 minutes of activity at school in a day through active playtimes and lunchtimes, through daily mile, PE Lessons, After School Clubs and PE Competitions. Activity Leader provides different activities at playtimes and lunchtimes to provide children with the opportunity to participate in physical activity.	This will continue for 2023/2024 due the impact on 100% of pupil taking part in at least 30 active minutes a day.
Improve the long-term sustainability of participation in physical activity. There will be twice as many activities available for pupils at breaktimes and lunch.	Training for pupil ‘Playground Leaders’ with Active Fusion to organise a wider range of peer-led activities at breaktimes and lunch.	£0	Active Fusion have provided training for 50 children across KS1 and KS2 to become Playground Leaders. These children are on a rota and work with other children during their breaktime to provide peer-led activities. These children have developed in confidence and the children have enjoyed playing a range of different activities that the playground leaders have offered.	We intend on completing this again with the next year 5 cohort of children through our Active Fusion coaches in 2023/2024 to sustain this practice.

Key indicator 2: Increased confidence, knowledge and skills of all staff in teaching PE and sport				Percentage of total allocation:
				44%
