

Welcome to Maths with Parents

Dear Parent/Carer,

Welcome to Maths with Parents this year!

Through our online platform, you and your child will watch short videos explaining the topics your teacher chooses, and then play fun games and activities together using items around the home to explore the maths in the real world. The class teacher then gets your feedback and photos so they can see how you are getting on.

Are you new to Maths with Parents?

- 1) Visit www.mathswithparents.com
- 2) Click on I'm a Parent, then the Parent Signup button
- 3) Enter your details, then launch the site
- 4) Enter your child's details and their 6-digit class code (once registered, you will not need this again!)

Class: Year 5 Swans

Class Code: 912261

(Further guidance on the next page)

Once you have signed Up – what next?

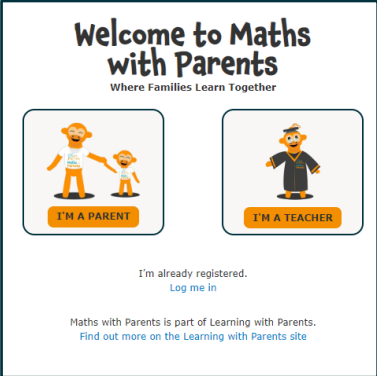

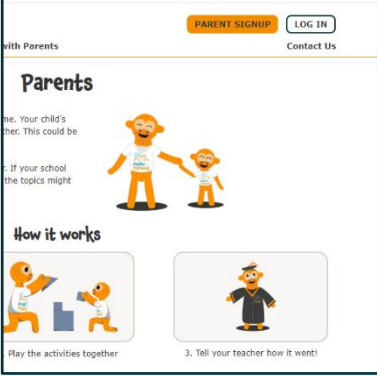

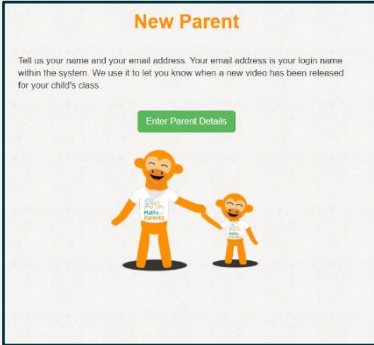

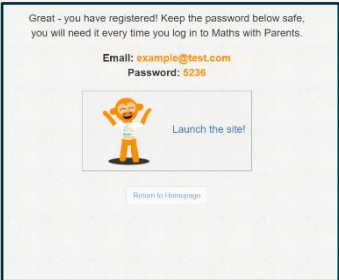

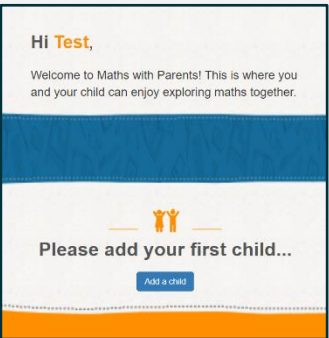

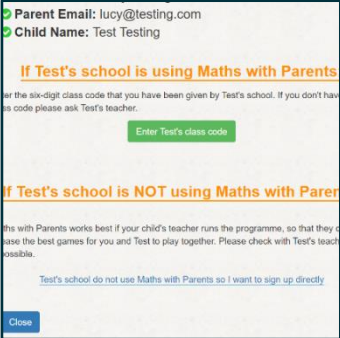

- Watch the introductory video to see how it works
- Watch the video for the first topic with your child and choose the activity to play first
- Leave feedback for the teacher or upload a photo. This is so important, so they know how your child is getting on
- Pick an item to dress up your Mathscot!

We hope you enjoy exploring the topics together!

Best wishes,

Maths with Parents

Signing up for the first time:

<p>1</p>	<p>Go to www.mathwithparents.com and click on I'm a parent, and then Parent Sign Up</p>		
<p>2</p>	<p>Click to enter your details Click to launch the site</p>
