Changes to school meal service

Dear Parent/Carer,

Schools catering are making changes to the way school meals are run and will be offering children a choice of 2 meals, starting from 1st November 2021. The menu will run on a 3-week cycle. [Click here](#) to view the new menu.

In order for us to run the service as effectively as possible, we will require children to pre-order their lunch using the below link. This menu will run up to summer-term in April. Children will be given the option to choose between the 2 school lunches or a packed lunch from home for each. Please [click here](#) to select your child's lunch by **Friday 8th October 2021**.

If we do not receive a response for your child, we will assume your child **does not** require a school lunch and will be provided with a packed lunch from home.

If you have any queries regarding the school meals, please contact the main office.

Lunch charges will remain at £2.30 per child.

Yours sincerely,
Mr C Metcalfe
