Rugby League World Cup-Opportunity

Dear Parent/Carer,

As I'm sure you'll be aware, England is hosting the Rugby league World Cup later this year and this will be a breakthrough moment in the tournament's history with the men's, women's and wheelchair competitions all being staged together for the first time ever. Doncaster will be hosting three men's fixtures at the Eco Power Stadium as well as the Samoan National Team using Doncaster as their training base during the tournament.

Over 2 years ago, Sandringham Primary School was selected as one of the sixteen Doncaster Primary schools to engage in the Doncaster RLWC Legacy program. This has resulted in Sandringham receiving professional Rugby league coaching, opportunities to take part in school competitions, raising the cultural awareness for the school's 'adopted nation' as well as teacher training and Rugby League World Cup opportunities.

Therefore, we are giving all our sixteen schools the opportunity to attend the first fixture at the Eco Power Stadium on **Monday 17th October 7.30pm kick off, France vs Greece**. This will be a once in a lifetime opportunity for Doncaster to witness world class Rugby League taking place right on our doorstep. To further reward the children who attend this fixture, we will be giving 10 lucky students per school the opportunity to take part in a pre-match parade around the perimeter of the pitch, showing support for their adopted RLWC nation.

Children who wish to attend this fixture will need to be accompanied by an adult/carer. As this event is outside school hours, this will not be a 'school trip' but teachers from your school will be attending and will be able to meet you at the stadium on the evening of the game. Ticket prices for this fixture are just £2.21 for children and £20.21 for adults. We will be placing one big group booking so that all children, teachers, and families are all sat together in the same location. If you would like to bring other family members or children along, that's no problem.

To book your tickets, please login to ParentPay, select either the adult or child ticket & pay for the quantity required. Your school will then provide us with this information in order for use to make a group booking.

The deadline to pay for your tickets through ParentPay is **Friday 16th September.**

It would be great to get as many children as possible and families in attendance at the Eco Power Stadium for our first game of the RLWC and give the children a memorable and long-lasting experience they will remember for many years to come.

Regards,

Martin Rowlands
Doncaster RLWC Legacy Officer
