Recent Survey About Childcare

Dear Parent or Carer,

As part of our commitment to support parents, we recently invited you to take part in a survey to establish whether there is sufficient demand for us to run before and after school childcare at Sandringham.

The survey results indicate that this is a service that parents would like us to explore further. We have therefore worked with our Trust to identify possible providers. Over the coming months, we will be progressing these conversations to establish the viability of such provision. We would have liked to offer this straight away, but we want to ensure that any provision will be high quality, affordable and sustainable.

We expect to be in a position to share a further update on our exciting plans mid-way through the autumn term.

Yours sincerely,
Mr C Metcalfe
Principal
