26th September 2022

Dear Parent/ Carer

I am writing to invite you to an exciting event that our pupils have planned across our Exceed Academies. Over the last few months, our year 6 pupils have undertaken an exciting new **'Social Justice Project'** as part of their learning across the curriculum with Olivia Jones.

Olivia is a local activist for Black Lives Matter in Doncaster and Creative Director of Doncopolitan. Together, they have explored the meaning of social justice and the many themes that this encapsulates. Each academy has then selected a focus on a particular strand of social justice in order to explore this in-depth. The pupils have shown incredible insight and great enthusiasm when discussing and learning about these current issues and are so excited to talk about their learning.

We would like to invite you to come along and visit the Social Justice Exhibition Open Weekend so that you can view this wonderful learning that the children have created.

When: Saturday 15th and Sunday 16th October

Time: Anytime between 10am – 4pm,

Where: At the Art Bomb Hub (60 Hall gate, Doncaster, DN1 3PB)

We hope that as many of our families as possible will be able to join us in supporting our pupils and their learning.

Yours Sincerely

Mrs Beryce Nixon
CEO
